From Your Potentate

Making a Difference Together

Orlando Reyes - Potentate 2022

Dear Moslah Nobles, Ladies & Friends,
June was a busy month for our Moslah Nobles and their families. We had graduations, graduation parties, and Texas Shrine Association (TSA) Competition in Wichita Falls. Moslah showed up at full strength, ready to compete and do whatever necessary to make this year's TSA a success. Moslah is the fourth largest Temple in Texas, yet we had the most units participating in this year's TSA. That is a direct reflection on the leadership of Moslah - from the top, down to the units' officers. .

Here are Moslah's results at TSA 2022. The Brew Club placed 1st in Bilginer and 3rd place in Ginger Ale. Car-Vettes placed 1st in Class 3 and 3rd place in Class 4. The Clowns placed 3rd in Makeup and 3rd Overall. The Directors were not competing at TSA, so several members competed in Pistol Shots and placed 3rd. The Golf Unit placed 4th. Motor Corp, Moslah's smallest unit, competed in three categories and placed in each one: they placed 1st in Two Wheels overall highpoints, 1st in WEEE A class, 2nd in Class 1 500's, and 3rd in WEEE B Class. Mystic Wheels placed 2nd in Class 3, and the Oriental Band (Bedouins) and Moslah Patrol took 1st place. **WAY TO GO MOSLAH!**

Moslah will be hosting TSA next year in Fort Worth. If TSA doesn't increase the number of units participating at TSA it will probably be the last time you will see TSA in a major city. I challenge all Moslah Unit Leaders and Nobles, when you meet with your association at Mid-Winter, to urge, inspire, encourage, promote, and persuade every association the importance of competing at TSA. The Texas Shrine Association Competition should be the **SUPER BOWL** of Texas Shrine.

I would also like to remind everyone that this year we celebrate 150 years of Shriners International and 100 years of Shriners Children's health care system. It is not uncommon to hear people talk about the amazing care they or a family member received at Shriners Children's. The medical teams at our facilities work tirelessly to help children achieve their full potential, overcoming what some say are impossible odds. This is possible because of you.

Potentate's Column

(Continued from previous page)

There were so many great memories I and your Divan witnessed at this year's TSA. Here are just a few: the Motorized Units Black Camel Ceremony; Shelton Beets losing his mind after a member of the Mystic Wheels took a wrong turn in the middle of their competition, but they kept it together making up parts of the routine on the fly; the Patrol, after finding out that all the other Patrol Units decided not to compete, showed up anyway and put a winning performance on the floor; the Oriental Band, led by Johnnie Wallace, had the bleachers rocking while going head-to-head against their archrival Khiva and came out champions. But the memory that will stick with me, in fact I got a little choked up, is during Car-vettes Competition. In the middle of the competition one of the Car-Vette vehicles broke down with about two minutes left in their performance. The Car-vette team member pushed the vehicle off the pad and stood there as the rest of the team went into a formation to stall for time. You could see the disappointment in his face and body language as he knew that his vehicle breaking down on the pad cost them first place. The Car-vettes Colonial, Cecil LeMond, looked over and saw the disappointment on his face. The Car-vettes circled around again, Colonel Cecil looked at his member, making eye contact, pointed at him, gave him a military salute, thumbs up and clapped his hands, letting him know that he was more important than a first-place trophy.

Moslah's next event will be the 5th Annual **CORNHOLE TOURNAMENT** on July 30, 2022, starting at 11AM in the Moslah Shrine Center Ballroom. Come out and play or cheer on your favorite team. It is a great time to join other Nobles, family & friends in some healthy competition. Our High Priest & Prophet, Gary Mayben, and his Lady, Karie, have a great day planned for us, indoors in the A/C, where it is much cooler than TSA.

Our next Moslah Business Meeting will be on September 8th with a special concurrent program for the ladies. Watch your email for details coming soon. And...get in those **MEMBERSHIP PETITIONS** so we can vote or obligate them in September.

Fraternally yours, *Orlando Reyes*

Many, many thanks to Entertainment Chair, Kenny Beck, for his non-stop contributions during TSA weekend! Not only did he ensure the Divan and our Ladies were comfortable at all times, but he was also setting up, competing, and judging the motorized units' competitions. He and Lady Ellen outdid themselves!

Mystic Wheels with Illustrious Sir Reyes

The Divan enjoyed attending several units' Family Nights where the unit showcased their drills for local family & friends. The Divan showcased their own antics at the Oriental Band's Family Night.

Coty Owens, Assistant Rabban
Hospital Fundraising Divan Rep

Dear Moslah Nobles, Ladies and Friends,

We have had a great year so far raising money for our hospitals. We have currently raised approximately \$50,000. I would encourage every noble to hand out or post on your social media page the QR code. This is a great opportunity that we have year-round to collect money and it is easy. All you have to do is add the following link to your social media page <https://www.moslahshrine.org/fundraiser/hospital-fundraiser/>. We still have two more HFD events coming up this year, beginning with our Fall Street Corner Collections on September 24th. We will go to the outlying areas where everyone knows who Shriners are and knows about our great philanthropy. We will finish off the year in a big way with the Moslah Car Show at the Temple on November 4th. So please mark your calendars now and begin to encourage all nobles to get out with us and support our noble cause. Remember

“No Man Stands So Tall As When He Stoops To Help A Child”

100 YEARS OF LEADERSHIP IN PEDIATRIC ORTHOPEDICS & PROSTHETICS

In the early 20th century, few hospitals existed to help children with disabling differences in the bones, muscles and joints. When the Shriners International men's fraternity opened its first hospital in 1922, that began to change. As we mark a full century of serving children, [here is a look back at how Shriners Children's has led the way in orthopedic care and prosthetics](#).

In the beginning, patients often spent a year or more at what was then called Shriners Hospitals for Crippled Children, living in separate boys' & girls' wards, supervised by nurses who lived onsite. By 1932, Shriners hospitals had helped transform the lives of 35,000 children. Even in those early days, Shriners Children's provided custom braces at no cost to families. Forward to the 90s where surgeries that once required long stays were now achieved with same-day surgery with the family heading home that same afternoon. This dramatic shift in medicine led some locations to begin to focus entirely on outpatient services a couple of decades later. Today Shriners Children's locations routinely treat more than 100 orthopedic conditions & care for more than 100,000 patients per year. As we begin the 2nd century of caring for children with orthopedic conditions, we are guided by the same mission established in the beginning. Our patients are our first priority as we provide care, conduct research, and offer education for medical professionals. [Click here for a full historical perspective of Shriners Children's Pediatric Orthopedics over the last 100 years](#).

TSA Victory Party was a fun time to celebrate the talents and hard work of all Moslah. On display were video recordings of the First Place performance of the Oriental Band, complete with a memorable performance by Illustrious Sir Moe Rahmeh himself. Other Temples raved about it.. The work of the Solid Gold Patrol was also on video display, demonstrating precision, discipline, and especially hard work. We got to see the award-winning Clowns, and the award-winning rides of the Motor Corps. The Car-Vettes did Moslah proud, not only with great precision, but more importantly, with great camaraderie, as Illustrious Sir Orlando Reyes highlighted. The Directors represented Moslah well in competitive target shooting. The Golf unit played up to par. Directors

Moslah Directors are staying active this summer with many social events. We are following up the fish fry we had in May with our annual 4th of July Cookout and Ft. Worth fireworks show at the Circus Building. We had great attendance at TSA this year and all members attending enjoyed the fun and fellowship. We put together a Directors shooting team, joined TSPGA, and competed in the .22 pistol Bullseye shoot. We since have added several members to our shooting team and have plans to continue competing whenever we can. Anyone interested in becoming a Director and being involved with our shooting team can contact our officers for more information.

Moslah Directors are actively preparing for the Circus and for next year's Potentate's Ball; we're already at our weekly Wednesday night work calls. As always, everyone is welcome to come visit us at the Circus Building on our work call nights.

Golf Unit

The Golf unit had a great time playing at the Wichita Falls Country Club, which is a great course, for TSA!

Legion of Honor

The Legion of Honor membership continues to grow, and we would love to welcome more new members. We welcome any and all Veterans to join us as we continue to revive the Legion.

We have big plans for next year, including getting back to competing at TSA, as well as making a trip to Arlington National Cemetery for a wreath-laying ceremony that's a "can't miss".

Legion of Honor Objectives

To foster a Spirit of Patriotism, Love of Country and Flag; To perpetuate the memory of our Comrades in Arms who made the Supreme Sacrifice by giving their lives for their country while members of the Armed Forces; To devote our efforts as individuals, and Legion of Honor Units to strive for an increase in Friendship and Cooperation between our Legion of Honor Units and other Units of Shriners International.

Motor Corp

A great time was had by all during TSA competition and as well as at the parade. The men of Moslah Motor Corps showed their skills and nerves of steel while on the pad. Shrieks of excitement could be heard throughout the crowd (and a few squeals from the stage where the Divan was sitting) as the 500s performed the DOUBLE CROSS maneuver. Smiles were the accessories of the day from the spectators as the Weeeee teams were performing.

The men of Moslah Motor Corps are able to perform their best due to the support from their Ladies, the Divan, and the Divan Ladies.

The men of Moslah Motor Corps are Colonel David Beets, Captain Kenny Beck, President Greg Mills, Vice President William Knight, Noble Les Kibbles, and Noble Sonny Francks. There was a special appearance by past Colonel Larry Ramsey who led the teams onto the field of competition.

We will be riding 500s and Weeeeees in the Granbury 4th of July parade. A few extra motorcycles are available to ride if any Noble or Divan member wants to test their metal.

News from the Racin' Masons!

Moslah nobles and Ladies....TSA has come and gone ! What a great time it was! The Mystic Wheels put on one heck of a high speed show and the crowd loved it. We won 2nd Place...excellent performance by all team members and managers. Many thanks to Colonel Bill Jones for an exceptional presentation and congratulations to all our riders! Many thanks to our Ladies for their help. The TSA parade was a lot of fun and the entire Moslah 'team' was outstanding!

We signed up another new member during TSA. He is in the process of traveling through the Blue Lodge. This will give us 5 new members by the end of the year.

We are looking forward to riding our NEW parade routines in the Granbury July 4th parade and know we will have a great time with the folks. It is always a pleasure to get the FEZ in front of the people. The people in Granbury are just outstanding and always make us feel welcome. Other upcoming parades include the Poly Homecoming parade and the Christmas Parade of Lights. If you are a Shriner and want to join us at a parade, please give us a call. We can arrange a kart for you to ride. Phone numbers are below

We have a Yacht Club outing for July along with a Ritual of the Pyramid. These events are always a great time and very well attended. Please visit our website, Moslahmysticwheels.com to see our latest activities and upcoming events. You are always welcome at our functions!

Hello Moslah Nobles! Are you and your family looking for a unit home?

Are you looking for a great group of Masonic brothers to hang with? Looking to make lasting friendships? Be part of a winning team? Do you like parades? Do you enjoy the thrill of competition? That rush when you take the field? Well, then we invite you to visit the Mystic Wheels. We are family oriented with Ladies and Kids at all our events. We have regular monthly activities for the Ladies and kid friendly activities as well. In addition, we are very active in all Shrine and Blue Lodge activities. We ride inexpensive, traditional, open wheel go karts that are fun, fast, loud, crowd pleasing, and easy to ride. You don't need to be able to work on them or store them, or transport them...that is all taken care of for you. We're very user friendly!

Call Bill Jones 817/608-6678, Stoney Burke 817/588-3024, or Brett Wiesner 817/360-7585 for information and a visit. Come see why so many nobles and their families have chosen the Mystic Wheels...and hey, still the LARGEST and friendliest motorized unit in Texas!

Shifters Motor Club

On June 18, a few Shifters attended a car show at Westside Antique Marketplace, promoting our club & upcoming car show. Westside Antique Marketplace is one of the sponsors of the Moslah Christmas Hospital Fund Drive Show. There are more sponsorship opportunities for the Christmas Car Show. Contact Brandon (817-994-0074) or John (817-822-7699) for details.

Moslah's Shifters Motor Club was established in 2020 and we currently have 46 members. We are a group of car and motorcycle enthusiasts – you do not have to have a classic car or motorcycle to be a member, just share an enthusiasm for them. We attend car shows in the area to promote Masonry as well as promoting our own car shows: one in July and another in November. In addition to our car show fundraisers, we participate in Temple fundraisers, such as the Street Corner Collections in the spring and fall.

Shifters Business Meetings are bi-monthly on the 4th Monday of odd months in the basement meeting room at 6:30 (Jan, March, May, etc.) Annual dues are \$30.00, and your first year dues gets you a club t-shirt. You can be a Mason and be a member of the Shifters; you do not have to be a Shriner. Shifters Motor Club is a great segue to the Shriners, if you are a Mason. If interested, please contact President John Heim, Vice President Fulton Abadie, 2nd VP Wallace Whitworth, Treasurer Brandon Reese, or Secretary Freddy Lopez. Join our [Facebook page](#) to learn more about upcoming events. Our page has over 800 members. We have a Public Group and Private Members only group, too.

Daughters of the Nile – Rithmah #93

Rithmah Temple No. 93, Daughters of the Nile has been busy this June! We recently attended our 106th Annual Supreme Session of the Supreme Temple, Daughters of the Nile. The week was filled with great fun, lots of friends – new and old, and food! We made our way to the Big D where we spent a grand time at “A Celebration” in Dallas, Texas.

We enjoyed a night of Bingo, a Waltz Across Texas, and then the fun really started. Opening ceremonies were held on Sunday, June 12, 2022. Rithmah was also honored by receiving a private invitation to attend the Major Donor Reception that same day. Rithmah has been honored EACH YEAR since this

program began due to our amazing fundraising for the Daughters of the Nile Foundation. Only a handful of Temples have held this same honor. We are very proud of all the work and effort that our members and supporters put out each year. It is only because of them, we as a Temple can remain in the top ranks!

Business began Monday and continued Tuesday and Wednesday. We were able to find time in the evenings and during lunch to meet with counterparts, regional friends, and all of those in attendance at various events. With this being our first in-person Supreme Session since 2019 in Reno, Nevada, it was so nice to be back together with one another. We were reunited with many old friends, and were able to meet all those new friends as well! On Tuesday and Wednesday evening, we were able to watch all the units from across our organization perform! Rithmah had many units perform!

Thursday, June, 16, 2022, Vickie Hill, from our very own State of Texas, was installed as the Supreme Queen for the Supreme Temple, Daughters of the Nile. Her Supreme Majesty has now started her journey visiting Temples and Hospitals across the United States, Canada, Brazil, and Mexico! We look forward to our Supreme Queen Official Visit here in Fort Worth on Sunday, January 8, 2023. We hope to see many of you there!

On Saturday, July 16, 2022, at 9 am, Rithmah will hold their annual Christmas in July event. We will be working to stuff 400 stockings with various craft and décor items to provide to our Shriners Children's locations in Twin Cities and Shreveport. If anyone is interested in more information about Rithmah or what Daughters of the Nile is all about, feel free to reach out!
