Making a Difference Together

Well, we made it to September. The month of September is well-known for Labor Day Weekend. Labor Day pays tribute to the contributions and achievements of American workers, and is traditionally observed on the first Monday in September. It was created by the labor movement in the late 19th century, and became a federal holiday in 1894. Labor Day weekend also symbolizes the end of summer. Also observed in September are some of my favorite days like Grandparent's Day on the first Sunday after Labor Day, National Beer Lover's Day (7th), National Double Cheeseburger Day (15th), but parents love September because Kids are Back-in-School.

Although our Temple was still on break for the summer, Moslah nobles were busy in August. Texas Shrine Motor Patrol Association (TSMPPA) had the motorized units' Obstacle Course Competition in San Antonio. I am happy to report that Illustrious Sir Steve O'Neal still holds the record for knocking down the most traffic cones, followed by Illustrious Sir Jeff Barcafar. There was some terrific competition at this year's Obstacle Course, but one of the best ones was between father and son: DAVID versus SHELTON Beets with Shelton edging out David in Class 7 Motor Carts with a time of 32.381 seconds. Up until that weekend David had never lost to Shelton. Is Father-Time catching up with David? Is it time to pass the baton to a younger, better-looking Beets? As I explained to David, "Youth is the gift of nature, but age is a work of art". David is not going to go gracefully.

I could not have been prouder of all of Moslah's motorize units at the Obstacle Course Competition. They were instrumental in every aspect of this competition: setting up, running it, and competing. Noble Kenny Beck had the best time in Class 1, 3, and 5, and Noble Cecil LeMond had the best time in Class 8. Your Potentate had the best time in the Potentate and Past Potentate Class. TSMPPA handed out 16 awards, and Moslah won 11 of them, which left five awards for the remaining 12 Temples in Texas. **What an outstanding performance by Moslah!**

If you did not get a chance to attend this year's Sportsman Spectacular, you missed an outstanding event. Chief Rabban Jerry Henderson, Lady Penny and all the volunteers put on a terrific show. I have been to more than a few Sportsman Spectaculars, and this one was the best organized and well executed event. You might think an engineer had something to do with the plan, design, arrangement, layout, and traffic flow. Thanks goes out to everyone who donated items for the Silent Auction. The donated items and the arduous work from our volunteers were instrumental in this year's event shattering all past Sportsman Spectacular records. Great job everyone!

Potentate's Column

(Continued from previous page)

Also this month, we had several units' Circus Ad Sales Kick Off Parties. We had nobles staffing the booth at this year's Back To School program in Arlington. The Moslah Cork & Ash Club had its first meeting at the Wilde Cigars in Burleson with 20 members in attendance. Not bad for a Temple that was on break for the summer.

Nobles, I would like to remind everyone that Moslah has two main goals: Support Shriners Children's health care system and Support our Fraternity. So, I am going to ask all nobles "Don't be an Armchair Quarterback." An "Armchair Quarterback" refers to someone who does not participate in an action but still makes judgments about it. So, get involved. I am not saying that you need to be involved in every aspect of the Moslah Shrine, in every charitable event, nor even most, but pick something and get involved!! Being a Shriner means more than just paying your dues or buying an occasional raffle ticket. We have a number of events that are coming up where we are going to need your help for Moslah to be successful. We have the Hospital Fund Drive on September 24th, Ceremonial on October 22nd, Moslah Car Show on November 5th, and Moslah Shrine Circus on November 17th thru 20th. It is an exciting time to be a Shriner.

The month of September will be another busy one here at Moslah, starting with the Business Meeting and Lady's Program on the 8th, followed by Family & Friends Games Night on the 9th, and ending with the Hospital Fund Drive on the 24th.

Fraternally yours, Orlando Reyes

11th Annual Moslah Shrine Sportsman Spectacular

The Sportsman Spectacular was a huge success and a great event for Moslah. I want to give a special thank you to all the volunteers who helped and to the Moslah Entertainment Committee. Not only was it a successful fundraiser, but a great membership opportunity. We obtained four NEW Shrine petitions at the event. Once again, thank you to all who attended and helped make it such a special night.

Moslah Clowns

I hope this newsletter finds you well; looks like we are turning the corner on summer and getting ready for the fall.

The Clown Unit has been busy this past summer, and we don't look to be slowing down in the upcoming weeks. We just came off a visit at Waterford Retirement Center where we helped fulfill a dream of one of their residents to be a clown. We have enjoyed all our visits to our elderly fans. On August 27, we took part in a little girl's 4th birthday party; we haven't done a birthday party in several years and it was a fun experience.

Upcoming Events

September 10th – Azle Sting Fling Parade – Riding on the Eagle Mountain Shrine Club float (this will be our 3rd parade this year)

Sept 16th – Azle Masonic Lodge Golf Tournament (NOT IN COSTUME) in remembrance of Jim "Scooter" Godsey

Sept 24th – Hitting the streets for Moslah Fall Hospital Fund Drive

Mystic Wheels

News from the Racin' Masons!

School's back in, Labor Day is here...end of summer! But certainly, only the beginning of new events for the Mystic Wheels!

Our new rider practices are coming along great and we can't wait for the next competition. Everyone is practicing new parade drills and the crowds are going to like these. Excellent job by our Colonel and Drill leaders.

We had a large turnout for the summer Yacht Club and many thanks to Illustrious Sir Orlando, the Moslah Divan, and Ladies for joining us. It was a very fun-filled and festive evening all around. We had Jerry Henderson talk to us about the circus, ad sales kick off, and we awarded many prizes throughout the evening. Our President did a marvelous job in setting up the entire event. Thanks Michael and Happy Birthday Melissa!

The Mystic Wheels were present at the TSMPA Obstacle Course competition and won 1st place in Class VI. Congratulations to the team for a great job, and braving the Texas heat wave! If you have not attended an obstacle course competition make plans to do so next year. It is very exciting as you compete individually around a 400 foot long course of straight-a-ways, turns, carousels, and a slalom, all against the clock. It is a challenge for sure, but our high speed karts are able to navigate this course in the neighborhood of 28 seconds! That's moving right along!

The Mystic Wheels have some exciting new parade drills that we will be unveiling in our next few parades: Poly Homecoming Parade, the Christmas Parade of Lights & one other we are confirming.

Shelton Beets at TSMPA

If you are a Shriner and want to join us at a parade, please give us a call. We can arrange a kart for you to ride. Numbers below.

Please visit our website, Moslahmysticwheels.com to see our latest activities and upcoming events. You are always welcome at our functions!

Hey there Moslah Nobles! Are you and your family looking for a unit home?

Are you looking for a great group of Masonic brothers to hang with? Looking to make lasting friendships? Be part of a winning team? Do you like parades? Do you enjoy the thrill of competition? That rush when you take the field? Well, then we invite you to visit the Mystic Wheels. We are family oriented with Ladies and Kids at all our events. We have regular monthly activities for the Ladies and kid friendly activities as well. In addition, we are very active in all Shrine and Blue Lodge activities. We ride inexpensive, traditional, open wheel go karts that are fun, fast, loud, crowd pleasing, and easy to ride. You don't need to be able to work on them or store them, or transport them...that is all taken care of for you. We're very user friendly!

Call Bill Jones 817/608-6678, Stoney Burke 817/588-3024, or Brett Wiesner 817/360-7585 for information and a visit. Come see why so many nobles and their families have chosen the Mystic Wheels...and hey, still the LARGEST and friendliest motorized unit in Texas!

Shifters Motor Club

Greetings from Moslah's Shifters Motor Club. Our club was established in 2020 and we currently have 48 members. We are a group of car and motorcycle enthusiasts – you do not have to have a classic car or motorcycle to be a member, just share an enthusiasm for them. We attend car shows in the area to promote Masonry as well as promoting our own car shows: one in July and another in November. In addition, to our car show fundraisers, we participate in Temple fundraisers, such as the Street Corner Collections in the spring and fall.

Shifters Business Meetings are bi-monthly on the 4th Monday of odd months in the basement meeting room at 6:30 (Jan, March, May, etc.) Annual dues are \$30.00, and your first year dues gets you a club t-shirt. You can be a Mason and be a member of the Shifters; you do not have to be a Shriner. Shifters Motor Club is a great introduction to the Shriners. If you are a Mason and interested in becoming a member of the Shifters and becoming a Shriner, please contact President John Heim, Vice President Fulton Abadie, 2nd VP Wallace Whitworth, Treasurer Brandon Reese, or Secretary Freddy Lopez.

On July 2 we held Moslah's Independence Day Car Show at Parker County Cowboy Church. It was a great turnout for a first annual event, 65 Cars. It was a pretty hot day, so we have decided to make it the Memorial Day Show next year.

Everyone is invited to attend the Lynn Smith Chevrolet Labor Day Show in Burleson on September 5 9am-1pm.

Lynn Smith Chevrolet, 925 N. Burleson Blvd., Burleson, TX 76028

We will be passing out flyers for our November Moslah Car Show at this event. Several Shifters will be showing cars too. Join our Facebook page to learn more about upcoming events. Our page has over 800 members. We have a Public Group and Private Members only group, too.

Egypt Club

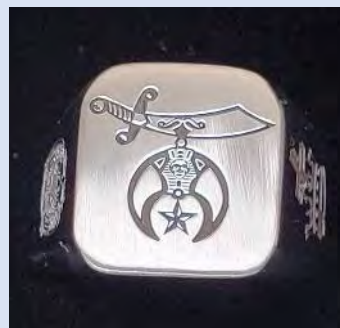

Greetings from the Moslah Egypt Club. We met on August 5th. Our usual meeting day is on the first Thursday of the month, 6:30-7:30 pm. We rarely if ever meet longer than that except this month. Our meetings are structured like professional organizations.

A) Prayer; B) Reading of what the meeting is going to be about (similar to the WM saying "this meeting has been called for the purpose of ____"); C) Talk about the mysteries of the Shrine/Masonry for about 15-20 min. (similar to hearing ritual in a lodge except we discuss the mysteries of the rituals);

D) Discuss the business of the Egypt Club; E) Ask if anybody has anything to say. Similar to asking "does anybody have anything further to say for the good of masonry?"; F) Hit the gavel.

Some of our business this month was about the "wallet cards" we hand out. Did you know that most Shriners and Masons can't tell you about Freemasonry or Shrine in a couple of sentences and make it sound professional? I have sat in stated lodge meetings at 19 different lodges in Texas. The Masons can't describe what they are in and make it sound convincing to another person. The "wallet cards" were written by the members of Moslah Egypt Club. We found most of the information on Shrinersinternational.org

We have several items on our agenda that we have agreed are worthy projects. We are selling stainless steel Masonic rings & Shrine rings. Every Shriner and Mason can be an ambassador by wearing one of these rings. When I was made a Master Mason back in 1972 I was given a Masonic ring by my lodge. This tradition of giving a ring to the MM has long passed in that lodge. It is time to bring it back and do the things that made Masonry and The Shrine great. Come to our meeting and you will walk away refreshed. Jerry Williams-President
