From Your Potentate

**Brett Boone
2026 Potentate**

Thank you to everyone who came to the Potentates Ball in February—we are definitely *Having Fun Helping Kids!* Thank you to the Directors, Volunteers, and Divan Ladies who made it an elegant night to remember. The backdrop was amazing. It was our honor to have Noble Tommy Bean share his story as a patient and a Shriner. Tommy's story was uplifting and received a well-deserved standing ovation. Thank you, Tommy. Illustrious Sir Jerry Henderson, Hospital Board Member, graciously shared his passion and enthusiasm by updating us on new developments at the Hospitals. And--as always--MC Moe Rahmeh was outstanding and entertaining.

The College Baseball Showdown at Globe Life Field was a great success for Shriners International and our hospitals. Over \$42,000 was donated, Moslah was well represented by its Nobles, Volunteers, and Divan--and this was noticed by Shriners International. Our very own Illustrious Sir Moe Rahmeh received a prestigious award from Imperial Potentate Brad Koehn, the Imperial Potentate's Medal of Merit. Congratulations, Illustrious Sir!

Thank you to all the multiple Units, Nobles, and Ladies who went to Galveston to participate in the Shriners Kids Mardi Gras parade. Moslah's participation was 'above and beyond'--so much so that the Hospital awarded Moslah its *first-ever Mardi Gras Majesty Award*--making us all Moslah proud.

The Directors' Super Bowl Party was a great time with great food by Kenny Beck ('the Fastest Man on Two Wheels'). If you weren't there this year, don't miss next year!

Our business meeting is on March 12. The Mansfield Pickle Parade is on March 21. The Easter Egg Hunt is on March 29.

We are having fun helping kids. Together, Nobles and Ladies, we are making a difference in this world. And together, *we are making a world of difference in the lives of every Shriners kid.*

Thank you all for your dedication to the World's Greatest Philanthropy.

Installation of New Divan

CHIEF RABBAN

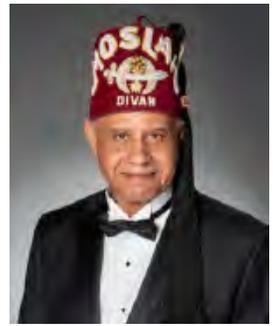

What an incredible few weeks it has been for Moslah Shrine!

East–West Shrine Bowl

First and foremost, thank you to everyone who came out to support the East–West Shrine Bowl. Despite icy conditions and challenging weather, our Moslah Nobles and volunteers showed up with dedication, pride, and true Shriner spirit.

A very special thank you to the volunteers who helped present the giant American flag during the pregame ceremony. You braved the cold and icy conditions to ensure a powerful and patriotic kickoff to the game. That moment reflected who we are — men committed to service, no matter the circumstances.

Your efforts did not go unnoticed. We are proud of each of you.

Royce Rose
Chief Rabban

Shriners College Classic – February 13th–15th ~ Globe Life Field

What a historic weekend!

To our Moslah volunteers who worked tirelessly throughout the Shriners College Classic — thank you. Your long hours, teamwork, and professionalism made a lasting impression on everyone in attendance.

We were honored to have two Nobles from Scimitar Shrine in Arkansas serving alongside us the entire weekend. Your dedication and brotherhood strengthened the effort and reminded us that Shrine unity reaches far beyond our own Center.

We also extend sincere appreciation to our neighbors from Hella Shrine, whose Nobles and Ladies stood shoulder to shoulder with Moslah. Because of this incredible teamwork, the first weekend was truly historic.

On Saturday night — Valentine’s Day — a college baseball attendance record was set with 23,325 fans in the stands. What an achievement! With our Imperial Potentate and Divan members present, Moslah represented with excellence. The professionalism, hospitality, and pride displayed by our Nobility made a tremendous impression. Outstanding job to everyone involved.

A Proud Moment for Moslah

We were especially honored to see Illustrious Sir Moe Rahmeh awarded the Imperial Potentate Medallion for Exceptional Service.

This is a tremendous recognition and one so well deserved. His dedication and leadership exemplify the highest ideals of our fraternity. We are proud to call him our Brother.

Congratulations, Illustrious Sir. Moslah stands proud with you.

Stay Connected

Be sure to check our new Moslah app regularly and watch for updates through Constant Contact for upcoming events and opportunities to serve.

There is much more ahead, and together, we will continue to make an impact in our community and throughout our fraternity.

Thank you to every Noble, every Lady, and every volunteer who continues to show what it truly means to wear the Fez.

Because of you, Moslah doesn’t just attend events — we make history.

ASSISTANT RABBAN

It’s time to show up.

On Saturday, April 25th, we take to the streets for our annual Hospital Fund Drive — and this is where Moslah Shrine shines.

Every dollar raised supports the children treated at Shriners Children’s Texas — kids receiving burn care, cleft lip and palate treatment, orthopedic care, sports medicine, pediatric rehabilitation, and more. Lives are changed because we show up.

This is not just another event. This is who we are.

When the community sees the Fez, they should think:

“Those are the men who help children.”

Now it’s our turn again.

● Step 1: Sign Up Hospital Fund Drive – Help Our Little Heroes! <https://form.jotform.com/260216050770043> Bring your family. Bring your friends (18+). Let’s put more Fezzes on the corners than ever before.

● Know Someone Who Needs Help? The number to Shriners Children’s Texas is: ☎ 888-215-3109 Save it. Share it. You never know when a family will need it.

● Friday Night – Be Ready

HFD Meeting & Equipment Pickup

Friday, April 24th @ 6:30 PM (arrive early)

Directors’ Building ~ 2000 Samuels Ave, Fort Worth

The stories we hear during this event remind us why we became Shriners. The generosity of our community is incredible — and the fellowship among Nobles during this day is something special.

Cont. on next page

Greg Bird
Assistant Rabban

ASSISTANT RABBAN, CONT.

Let's represent Moslah proudly.
Let's fill every corner.
Let's make 2026 our strongest Hospital Fund Drive yet.

I'll see you there.

SHRINERS
INTERNATIONAL

HIGH PRIEST & PROPHET

Congratulations to our new Potentate Brett Boone and his lovely Lady Melinda!

March has always symbolized fresh starts and the arrival of spring—and what better way to embrace the season than by “springing” into action together as a united Shrine family!

We kicked things off in grand style with the Mardi Gras parade in Galveston. If you missed it, you truly missed an unforgettable experience! This year's parade was the largest ever, and the post-parade lunch with our Potentate and First Lady drew an impressive crowd of 41 Nobles and friends. A special highlight: During a tour of Shriners Children's Hospital in Galveston, Illustrious Sir Brett Boone and Lady Melinda proudly accepted the 1st Annual **Mardi Gras Majesty Award** from Mark Hodges. Heartfelt congratulations to them both!

Our Potentate's Ball was nothing short of spectacular! Despite some uncooperative weather a couple of weeks ago, the evening was filled with joy, celebration, and unstoppable fun.

Looking ahead, our next big event is the **Annual Easter Egg Hunt**—and we can't wait to see everyone there! Candy Stuffing Night: Help us prepare by bringing hard candy to stuff eggs!

Wednesday, March 25, 2026 • 5:30–7:30 PM • at the Temple

Easter Egg Hunt: Bring the kids, grandkids, and new members for a fun-filled afternoon!

Sunday, March 29, 2026 • 1:00–3:00 PM • at the Temple

Thank you for your continued support, enthusiasm, and dedication to our noble cause.

Let's make this Easter Egg Hunt one to remember!

Looking forward to seeing you all soon— Have a fantastic spring season!

Damon Ing
High Priest & Prophet

ORIENTAL GUIDE

2025 Divan Mid-Winter Meeting in Austin

The 2025 Divan Mid-Winter Meeting was held in Austin, providing an invaluable opportunity for us to engage with our counterparts and emerging leaders from other Texas shrines. This gathering was both enjoyable and informative, allowing us to share experiences and learn from one another. Of particular note, representatives from other temples showed interest in Moslah, specifically inquiring about the ways we consistently project a strong and professional presence at events. This recognition underscores our commitment to excellence and serves as a testament to the hard work and dedication of our members.

Mardi Gras Parade and Hospital Tour in Galveston

Karla and I were delighted to take part in the Mardi Gras parade and to participate in the hospital tour in Galveston.

The tour offered us valuable insight into the ongoing efforts related to blood / burn collection, highlighting the critical importance of this initiative to our mission. I am proud to report that the Golf unit has already raised \$303.00 to support these efforts. This achievement reflects the dedication of everyone involved—well done to all who contributed!

There is still time for other units to participate and make a difference. If you are interested in donating or have questions about how to get involved, please do not hesitate to contact me. I am more than happy to assist you.

Shriners Baseball Classic Participation

The Divan had the honor of representing Moslah at the Shriners Baseball Classic. Alongside our official presence, many Divan members generously volunteered their time to help with the event. It was heartening to see a strong turnout from Moslah members, including several past potentates, all demonstrating their ongoing commitment and enthusiasm for our cause. Their participation not only strengthened our community spirit but also reinforced Moslah's reputation for active engagement and support.

100 Million Dollar Club Applications

We have started to receive applications for the 100 Million Dollar Club, and it is encouraging to see units actively promoting this opportunity within our organization. If you are interested in joining the club or wish to honor someone, please contact me to request.

Congratulations to Illustrious sir Brett and Lady Melinda on a very fun and successful Potentate's Ball and thank you to the rest of the Divan for helping Damon welcome Karla and I aboard and helping me secure the chicken hat.

Chuck Boggess
Oriental Guide

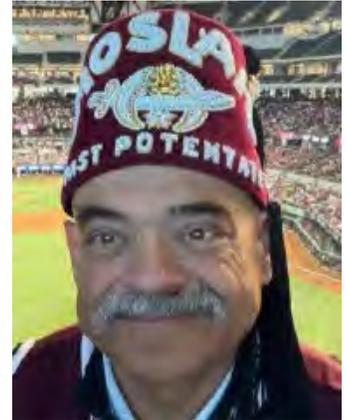

Congratulations Illustrious Sir Moe Rahmeh

Illustrious Sir Moe Rahmeh has been awarded the prestigious Imperial Potentate Medal of Merit—one of the highest distinctions conferred by Shriners International.

The Medal of Merit is reserved for individuals, whether Shriners or non-members, who exemplify extraordinary service, visionary leadership, and significant contributions in advancing the fraternity's mission. This distinguished honor recognizes not only steadfast dedication to the principles of brotherhood and service, but also a profound and lasting impact on the organization and the communities it serves.

Selection for this award reflects exceptional commitment and unwavering support of Shriners International's philanthropic and charitable endeavors. It stands as a powerful testament to Illustrious Sir Moe Rahmeh's leadership, integrity, and tireless devotion to strengthening the fraternity and expanding its reach of compassion and care.

Please join us in celebrating and congratulating Illustrious Sir Moe Rahmeh on this remarkable and richly deserved achievement.

A Clear Path to Healing: Innovative Facial Burn Recovery

At Shriners Children's Texas, we are always looking for ways to improve care for patients recovering from facial burns. One of the most important tools in burn rehabilitation is the transparent facial orthosis (TFO), a clear facemask that helps manage scarring during healing. Traditionally, these masks are created by scanning a patient's face and outsourcing fabrication to an external vendor. While effective, that process can take valuable time during the early stages of recovery.

To better serve our patients, our burn rehabilitation team can fabricate TFO molds in-house using 3D printing technology. By supplementing outsourced production with our own capabilities, we can provide masks earlier in a patient's hospital stay and significantly reduce turnaround time when urgent needs arise.

The process begins with a scan of the patient's face to create a detailed digital image. Our team fine-tunes that image on a computer, then uses a 3D printer to create a physical mold of the patient's face. The mold can be adjusted by hand to ensure pressure is applied in the right areas. A clear plastic material is then shaped over the mold to create the final mask, with openings carefully trimmed for the eyes, nose and mouth.

These masks play a critical role in recovery. Facial scarring can affect far more than appearance; it can interfere with everyday functions like facial expression, eating, breathing and even closing the eyes or mouth.

"Facial scars don't just change how someone looks, they can change how the face moves and works," said Chris Whitehead, PT, [physical therapist](#) at Shriners Children's Texas. "If scars tighten too much, they can make it hard to smile, eat, breathe or even close the eyes. TFOs let us see the scar clearly and apply gentle, steady pressure that helps soften the scar and keep the face moving the way it should."

The TFOs are made from transparent, high-temperature thermoplastic, allowing clinicians to see the scarring underneath and assess how well pressure is being applied. Therapists also use scar rating scales to track changes over time. Patients typically wear their TFO throughout the scar maturation process, which often lasts one to two years. Wearing a mask for long periods can be challenging, as patients may find them hot or uncomfortable, but consistent use is key to achieving the best outcomes.

Because the face changes as healing progresses, TFOs are not a one-time solution. Adjustments, or even new masks, are often needed as swelling decreases, scars soften or children grow. Producing TFOs in-house allows our team to respond more quickly and collaborate closely, reflecting our commitment to innovation and patient-centered care.

—Shriners Children's Texas

A team member fits a transparent facial orthosis on a woman.

FLYING FEZ

The following is a listing of the trips that the Flying Fez completed last year.

The Flying Fez trip count for 2025 was as follows:

Trips to Missouri City	12
Trips to Scurlock Tower/Houston	15
Trips to Galveston	1
Combined trip to Houston/Missouri City	1

Thank You!

Thanks for making this year's parade the BIGGEST and BEST we've ever had!

Congratulations to MOSLAH SHRINE for receiving our 1st Annual MARDI GRAS MAJESTY AWARD! Moslah Shrine has continually exemplified the Shrine spirit of Mardi Gras with creativity and excellence, year after year.

A message to future Shriners:

*You are
welcome here.*

Introducing Mission Moslah: A Call to Serve Beyond Our Walls

As Shriners, our hearts, our hands, and our mission have always been centered on helping children and their families through the incredible work of Shriners Children's. That mission will always remain our primary purpose and the foundation of everything we do.

Mission Moslah is not a replacement for that mission-it is an extension of who we are.

Mission Moslah is our commitment to place the fez in the community, not for recognition, but to serve as a visible beacon of light, hope, and compassion. It is about showing our neighbors who we are, what we stand for, and why the Shrine matters-not just inside our walls, but throughout the communities we call home.

Purpose of Mission Moslah

The purpose of Mission Moslah is simple and intentional:
To strengthen our presence in the community through service
To engage Nobles, Ladies, families, and youth in meaningful outreach
To reinforce public trust and awareness of the Shrine's heart and values
To support-not compete with-our philanthropic mission

Mission Moslah creates opportunities for service that require time, presence, and compassion, rather than fundraising dollars. These efforts complement our philanthropy by building relationships, visibility, and goodwill that ultimately strengthen everything we do.

The Five Cornerstones of Mission Moslah

Mission Moslah is built upon five core cornerstones, each designed to reflect the values of service, unity, and impact:

Community Engagement

Visible, hands-on service projects that allow the public to see Shriners serving shoulder-to-shoulder with their neighbors.

Family & Youth Involvement

Opportunities for our Ladies, children, DeMolay, Rainbow Girls, and youth groups to participate-passing the spirit of service to the next generation.

Partnership & Collaboration

Working alongside local civic groups, schools, first responders, and community organizations to multiply impact.

Legacy Care & Compassion

Supporting widows, orphans, veterans, seniors, and families in need-quietly and respectfully-when help is needed most.

Visibility with Purpose

Wearing the fez proudly in service, not for attention, but as a symbol of hope, commitment, and compassion in action.

Scope & What Comes Next

Mission Moslah will roll out through intentional, well-organized service opportunities throughout the year. These projects will vary in size and focus but will always align with our values and capacity as a Shrine.

This initiative is designed to be sustainable, inclusive, flexible, and impact-driven.

Most importantly, Mission Moslah will grow with input from our Nobility. Ideas, partnerships, and opportunities will be welcomed as we continue to build this program together.

A Beacon in the Community

When people see the fez in the community, they should see more than a symbol-they should see hope, service, and heart.

Mission Moslah is our promise to be present, to serve with humility, and to remind our communities that Shriners stand ready-not just in times of need, but every day.

More details, project announcements, and ways to get involved will be shared soon.

Together we can.
Together we must.

East-West Shrine Bowl January 27, 2026

The East-West Shrine Bowl brings together the nation's top college football players, providing them with a platform to showcase their talents before NFL scouts, coaches, and executives from all 32 teams.

For more than 100 years, this game has served as a launching pad for some of football's most iconic athletes — including *Tom Brady*, *Walter Payton*, and *John Elway* — as well as today's rising stars like *Brock Purdy*, *Zay Flowers*, and *Isiah Pacheco*.

Beyond the field, the event plays a vital role in raising funds for Shriners Children's, helping provide specialized pediatric care to children facing complex health challenges.
