## FROM YOUR POTENTATE

It is an honor to serve with you as your Potentate. What each of you give individually for our fellowship and our philanthropy are noble acts of love and devotion to each other, and for those in need. When we act Together we can, and do, make Moslah a powerful force for good for our fraternal and philanthropic causes. I am humbled and proud of your hard work, discipline, and commitment. Thank you on behalf of Moslah, and on behalf of our Shriners Hospitals, and the Shriners kids we serve. Likewise, each, and every one of you should be proud of yourselves, and each other. This last month, I was lucky enough at TSA ceremonial competition in Austin, Texas, to see Moslah hard work, discipline, and commitment on display in every competition by every unit. That Moslah embodies and exhibits these virtues is known across Texas and in all of Shrinedom. Let us make this known for the betterment of all the broader communities that each of us touch.

The Countdown Is On... The 15th Annual Sportsman Spectacular Is Almost Here!

The excitement is building, and I can honestly tell you that this year's 15th Annual Moslah Sportsman Spectacular is shaping up to be one of the biggest and most exciting events we have ever presented! If you enjoy the outdoors, hunting, fishing, sporting events, fellowship, or simply having a great time with your Shrine family, then Saturday, August 15th is a date you do not want to miss.

## Incredible Live Auction Packages

This year's live auction is loaded with experiences that money alone can't always buy.

- A 6-Gun Duck Hunt with accommodations in a beautiful 3,200-square-foot lodge and dinners each evening.
- A professionally Guided Striper Fishing Trip for Four.
- An unforgettable Argentina Dove Hunting Adventure.
- Sporting event packages and many additional outdoor experiences.

## The Red Ticket Drawings

We're still collecting donations for our always-popular Moslah Red Ticket drawings. If you, your business, or someone you know would like to donate an item, please drop it by the Moslah Shrine Office during normal business hours.

## Door Prizes

Throughout the day, we'll be giving away numerous door prize items and surprise giveaways. There will be excitement from the moment you walk through the doors until the final drawing of the afternoon.

## Introducing the Moslah Mystery Safe

Now for something that has never been done before at Moslah Shrine...

Roxy and I are beyond excited to introduce the Moslah Mystery Safe! A beautiful digital locking, fireproof safe will be on display in the Shrine Office.

## What's inside? That's the mystery.

Could it contain several firearms? Could it contain an unbelievable outdoor package? Could it contain something you've never expected? Could it be a new car? Okay... it's probably not a new car!

But I can promise you this... what is inside this safe is something Moslah has never offered before.

The safe will arrive in approximately two weeks and will be on display in the Shrine Office. You can look at it, guess, and dream—but no one will know what's inside until the contents are revealed live on stage during the event on August 15th just before the winning ticket is drawn.

Tickets are only \$50 each and are available at the Shrine Office (cash or credit), from any Divan member, Unit President, or Shrine member. And That's Not All...

Returning favorites like the Liquor Wagon and many additional prize drawings will once again be part of the day's excitement. There truly will be something happening all day long.

The Sportsman Spectacular has become one of Moslah Shrine's signature events because of the incredible support from our Nobles, Ladies, sponsors, volunteers, and friends.

Mark your calendars for Saturday, August 15th. Bring your family. Bring your friends. Bring someone who has never experienced a Moslah event before.

Together, let's make the 15th Annual Sportsman Spectacular the biggest and best one yet.

Roxy and I look forward to seeing each and every one of you there! **Together we can. Together we must.**

# ASSISTANT RABBAN

Mark your calendars for **Saturday, September 26, from 9:00 AM to 1:00 PM**, as Moslah Shrine conducts our Annual Fall Street Corner Collections. This is one of our most visible and important fundraising events of the year, and we need your help to make it a success.

This fall, we will be collecting donations in:

~Granbury

~Weatherford

~Cleburne

~Acton

~Mineral Wells

Our Hospital Fund Drive Chairman, Andy Bryant, is already hard at work coordinating locations, permits, supplies, and volunteers. Please join me in thanking Andy for his dedication and support for this important effort by signing up to help.

Volunteers must be at least 18 years of age, and we encourage you to invite family members, friends, neighbors, and coworkers to participate. Every volunteer helps us raise additional funds and awareness for the children we serve. The Street Corner Collections are also one of our best opportunities to introduce non-Shriners to our fraternity. By working alongside our Nobles, guests experience firsthand the fun, fellowship, and commitment to helping children that define the Shrine. You never know when a day spent supporting our Little Heroes may inspire someone to learn more about becoming a Mason and Shriner.

To ensure a successful event, an Equipment Pickup and Organizational Meeting will be held on Friday, September 25, at 6:00 PM at the Directors' Building (2000 Samuels Ave, Fort Worth, 76102). Each unit and club is asked to send a representative to receive supplies, location assignments, and important information regarding collection procedures and event logistics.

Every dollar collected goes directly to Shriners Children's Texas in Galveston. These funds help provide life-changing care for our Little Heroes and their families, regardless of their ability to pay. If you have never toured the hospital, I strongly encourage you to do so. Seeing firsthand the care provided to our patients and the courage displayed by the children we serve is both humbling and inspiring. It is a powerful reminder of why we proudly wear the fez and why our fundraising efforts matter. If you would like assistance scheduling a tour, please contact me or the Shrine office.

Let's demonstrate the generosity, compassion, and commitment that define Moslah Shrine. Watch for sign-up sheets at upcoming meetings, or contact Chairman Andy Bryant directly to reserve your spot.

Thank you for being a hero for our kids. Together, we can make this one of our most successful Street Corner Collections yet.

## HIGH PRIEST AND PROPHET

Mark Your Calendars!

Please save the date for our upcoming Ceremonial on **Saturday, October 17th**. More details will be shared soon. This is a wonderful opportunity to bring your significant other and learn more about the rich history and important mission of Moslah Shrine.

Although the Shrine will be dark for the next three months, our membership efforts continue full speed ahead. We're asking each member to make it a goal to recruit **one new member** this year. Every new member strengthens our Shrine, supports our Units, boosts critical Hospital fundraisers like Street Corner Collections, enhances Temple fundraising, and helps preserve our legacy for future generations.

If you have membership ideas or leads, please reach out to me, I'd love to hear them and discuss how we can move them forward.

**Membership Update** This summer, your Membership Team has already visited **6 Blue Lodges** to connect with our Brothers and spread the word about our membership drives. We're just getting started we plan to visit 5 more in the coming months.

We also encourage you to join us at upcoming Temple events, including Cornhole, the TSA Victory Party, and the Sportsman's Spectacular. These are excellent opportunities to introduce family and friends to the Shrine and share the impactful work of Moslah Shrine and Shriners Children's Texas Hospital.

**Cornhole Tournament** A few team spots remain for Cornhole at just **\$80 per team**. We'll have food, snacks, and drink bands available for purchase at just \$25.00. Space is limited, so please RSVP soon and help us spread the word! Lets keep things hot during the summer! GO MOSLAH!

## ORIENTAL GUIDE

When I think of June, the word "Humble" comes to mind. Why? This month, Karla and I had the privilege of witnessing our units perform at TSA for the first time. The performances were breathtaking, filling us with pride and joy. I may be biased, but I believe we have the finest shrine in Texas! From the Bedouins to the Motor Corps, Car-Vettes, Mystic Wheels, and our incredible shooting club, every moment was awe-inspiring. The Solid Gold Patrol, and our lively Clowns, brought the convention center crowd to their feet! The Golf Unit also shined. Karla and I also saw firsthand the dedication, honor, and sacrifice that define our shrine, and we want to express our heartfelt thanks. June's totals for the 100 Million Dollar Club stand at \$1300.00. Moslah's Car-Vettes lead the Blood Burn rankings with \$1,180.00 and the Golf Unit is \$670.00. Your Divan is recharging after a hectic TSA week and gearing up to represent our Shrine at Imperial. A quick reminder: Membership is key for our long-term success and keep pushing those circus tickets and packages—sell, sell, sell! Wishing everyone a joyful July 4th filled with family and friends.

## ELIZABETH'S STORY

On Mother's Day in 2011, Louisiana native Elizabeth was enjoying a Sunday crawfish boil with her family when a pot broke loose, spilling scalding water on her, causing second-and third-degree burns. She spent six weeks at **Shriners Children's Texas** recovering from the accident and returned several times for specialized follow-up care for over a decade.

Today, Elizabeth is no longer the little 8-year-old girl she was in a hospital bed. She is a healthcare professional working overnight shifts in a North Dallas trauma center, finishing her degree in healthcare administration, and building toward her goal of becoming a hospital CEO.

"I always knew I wanted to be in healthcare," she said. "I just didn't know what that looked like."

Elizabeth graduated from high school in 2021 with hopes of becoming a burn nurse, inspired by those who cared for her as a child. She began college in Indiana as a nursing major while dancing at the collegiate level. Between demanding coursework and spending most of her time in practice, at games and traveling for competitions, Elizabeth began to reconsider her path. She switched her major to marketing, added a healthcare concentration, and discovered a growing interest in the health and wellness space.

Soon after, Elizabeth was recruited to the dance team at Dallas Baptist University in Texas. There, she met with an advisor who helped her take a closer look at her long-term goals.

"I told her I wanted to be a hospital CEO," Elizabeth said. "And she looked at me and said, 'Then why are you a marketing major?'" That conversation changed everything. Elizabeth shifted into a business management program with a healthcare focus and immediately knew she had found the right direction. After a national championship win and years of dedication as a competitive dancer, she made the decision to step away and fully invest in her future career. She transitioned to online classes and began gaining real-world experience in the field. Elizabeth now works in patient access at an emergency room and trauma center in Dallas. On weekend nights, she is the only person running her department from 10 p.m. to 6 a.m. Trauma arrivals, urgent registrations, calls from across the hospital and coordination between departments all land on her desk.

"You have to learn how to prioritize quickly and communicate with everyone," she said. "At the end of the day, we're all there for the patient."

She has built strong relationships with nurses, physicians and imaging teams, learning how to bridge gaps between departments during high-pressure moments. Those experiences are shaping the kind of leader she hopes to become.

"We're starting to see a disconnect between clinical and administrative roles," she said. "That's something I really want to change."

Recently, Elizabeth decided to look back at her own journey in a very intentional way. She requested her medical records, a document that stretched well over a hundred pages, and spent hours reading through the details of her care. As she worked through each page, she compiled the names of the providers who had been part of her journey and began reaching out to thank them.

The responses led to something she never expected. Elizabeth was invited to observe a surgery in Houston, giving her a closer perspective on the clinical side. She also reconnected with members of her care team, including Ludwik Branski, M.D., a specialist in surgical reconstruction of severe burns.

Elizabeth continues to use her story to advocate for burn safety. Crawfish boils remain a staple in her Louisiana roots, and her family still gathers around them with a greater sense of awareness and care. On social media, she shares reminders about simple precautions and the unpredictability of accidents.

Elizabeth has also connected with other burn survivors and fellow Shriners Children's patients across the country, forming relationships that continue to inspire her. In May 2026, she is set to graduate with her degree in healthcare administration and envisions herself returning to Shriners Children's Texas, this time as a professional ready to give back.

"I know what it's like to be the patient in a hospital bed," she said. "I understand what families go through. And I would love to be a part of the hospital that helped me so much."

## ASSOCIATION OF PICKLEBALL PLAYERS & SHRINERS CHILDREN'S

The Association of Pickleball Players (APP) has announced a multi-year partnership with Shriners Children's, a leader in pediatric specialty medical care, as the official charity partner of the APP. Shriners Children's and the APP will launch several co-branded community initiatives surrounding the partnership, all in support of funds and awareness for Shriners Children's, and to support the growth of pickleball across the United States.

"We are honored to partner with such a remarkable leader in Shriners Children's, whose values are near and dear to our hearts," said APP Founder Ken Herrmann. "We are proud to support them and equally grateful for their support of the APP. We look forward to making a powerful impact on many lives together, through pickleball, for many years to come."

"Partnering with the Association of Pickleball Players gives our healthcare system an exciting new platform to share our mission with sports fans and pickleball enthusiasts around the United States," said Leslie D. Stewart, M.D., Chairman of the Board of Trustees for Shriners Children's. "Shriners Children's experienced and innovative medical teams provide hope and healing for children around the world. Aligning with the Association of Pickleball Players will help us reach the next generation of supporters and improve the lives of more children in more places."

Highlighting the partnership will be a series of co-branded pickleball fundraising events held at local pickleball clubs across the country, with Shriners Children's as the primary beneficiary.

The APP event calendar each year will include a nationally televised annual APP Shriners Children's Pro Invitational tournament, featuring top APP Tour pro players. Shriners Children's and the APP also will collaborate to host corporate pickleball challenges, fitness-based "virtual" fundraising challenges, clinics, donor events and more. Every dollar raised will support Shriners Children's mission to provide children the best possible care in the areas of orthopedics, burns, cleft lip and palate and spinal cord injury rehabilitation, regardless of the family's ability to pay or insurance status.

As official charity partner of the APP Tour, Shriners Children's branding will be fully immersed in digital and on-site activations at each tour stop, including signage and broadcast integrations.

Shriners Children's is already active in pickleball, with a dedicated event fundraising page live now on its website. Those interested in arranging pickleball events to help raise funds for Shriners Children's can go to [this link](#) to sign up.

Moslah Shrine participated in our first event on Sunday, June 14th. Our business-manager, Michael Handley, his Lady Melissa, and Bob Symington were at Chicken N Pickle in Grapevine to participate in Pickleball with Pops Tournament. What Michael was thinking was a nice, fun, Sunday afternoon playing Pickleball turned into an actual full on Tournament! If you see any of them, ask them how it went.

## ***BEDOUINS***

The Moslah Bedouins Band went to TSA and brought home two trophies and a large banner! We won our competition and had a blast doing it as well. We were supported by the Moslah Divan and our families and other Moslah members as we performed! A good time was had by all! We were proud to represent Moslah and represent such a longstanding tradition of winning! TSA was a great experience and very enjoyable! It was great to see old friends and meet many new ones from across this State! I would like to personally thank everyone who made the hospitality room such a success. It takes a village and our folks sure turned out to help! We can't wait for next year!

## ***CARVETTES***

### **TSA COMPETITION RESULTS**

Carvettes A 4-Man Team: 1st Place – State Champions; High Point Award – Multiwheel

Carvettes B 4-Man Team: 2nd Place – State

These results reflect the hard work, discipline, and commitment of our unit, our Officers, and our Colonel. We had a heck of a “Pit Crew” that helped us get there, as well! It really is a family and team. The entire Moslah Carvettes Unit should be proud. We will see you at the VICTORY PARTY!

### **UPCOMING EVENT: GRANBURY 4TH OF JULY PARADE**

We are gearing up for the Granbury 4th of July Parade, one of the biggest events of the year. This is an opportunity to showcase our unit and represent Moslah in our communities.

### **COMMUNITY CONNECTION**

Stay connected and engaged with the broader Carvettes Unit. Check out our Facebook Page for our shared post for updates, highlights, and more.

## MYSTIC WHEELS

*News from the Racin' Masons!*

Nobles, Ladies...Wow, TSA got here in a hurry!

What an excellent time the Mystic Wheels had at TSA. After a crazy practice season marred by excessive rain and a couple of health issues, we get to TSA only to find it threatening rain. However, we got dry weather and put down an excellent drill ride... capturing FIRST PLACE for the 4<sup>th</sup> time!! Congrats to all the riders, their support staff, and our Colonel, Bob Bofinger. Hella rode a very good drill, but we rode a better one!

Here is a link to our drill...scroll down to the last video and enjoy:

We really appreciate Illustrious Sir Brett Boone, the Divan and Ladies dropping by our hospitality room. No doubt this got everyone fired up and ready to ride on Saturday. Always a pleasure to have you visit.

The Mystic Wheels look forward to the Victory Party on the 26<sup>th</sup> and the Granbury July 4<sup>th</sup> parade.

TSMFA Obstacle Course is in Marble Falls this year and we will be there in force. This is a very fun event, just you against the clock around a 400 foot long course of twists, turns, etc. It will test your skills. We will be having practice for this and you are welcome to take a ride.

Of course, it is circus ad sales time already so we'll be trying to increase sales over last year as well.

Please visit our website, [moslahmysticwheels.com](http://moslahmysticwheels.com) to see our latest activities, photos, TSA competition video, and upcoming events. You are always welcome at our functions!

Hey there, Moslah Nobles! Are you and your FAMILY looking for a unit home?

Are you looking for a great group of Masonic brothers to hang out with? Looking to make lasting friendships? Be part of a winning team? Do you like parades? Do you enjoy the thrill of competition that rush when you take the field for competition?

If that sounds like you then we invite you to visit the Mystic Wheels.

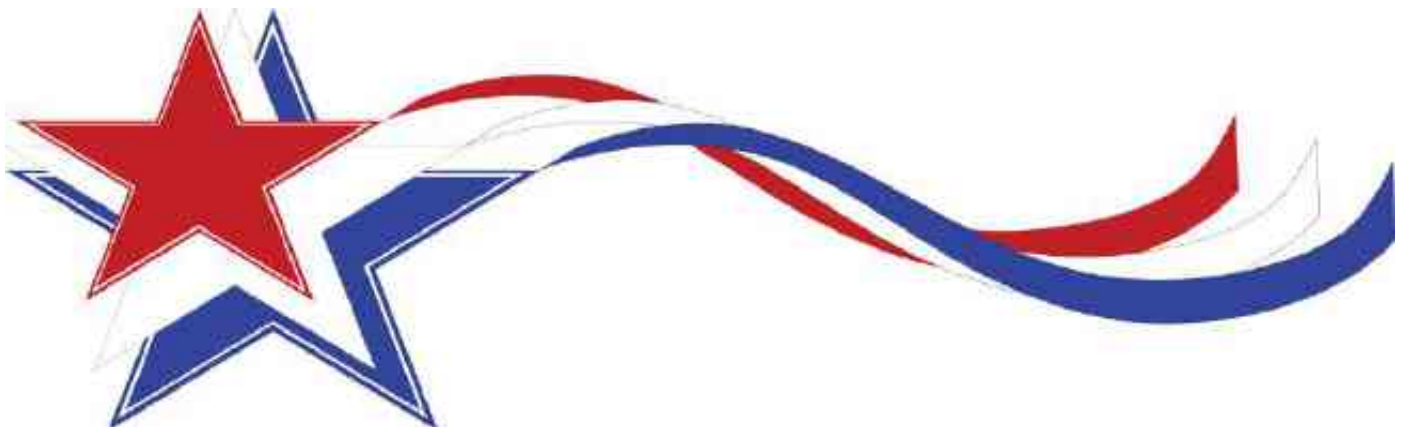

You will find we are family oriented with Ladies and Kids at all our events. We have regular monthly activities for everyone and kid friendly activities as well. In addition, we are very active in all Shrine and Blue Lodge activities. Our Ladies have casual monthly activities and get together at various restaurants just for fun and friendship.

We ride inexpensive, traditional, open wheel, go karts that are fun, fast, loud, crowd pleasing, and easy to ride. You don't need to be able to work on them, store them, or transport them...that is all taken care of for you. We're very user friendly!

Call Bill Jones 817 608-6678, Stoney Burke 817 588-3024, Brett Wiesner 817 360-7585, for information and to arrange a visit. Come out for a visit! You will see why so many Moslah Nobles and their families have made the Mystic Wheels their unit home. Still the LARGEST and friendliest motorized unit in Texas!
