FROM YOUR POTENTATE

**Brett Boone
2026 Potentate**

Thank you, Moslah, for an outstanding Spring Hospital Fund Drive! And a special thank you to Noble Tom Crow for capturing so many wonderful memories through his photographs.

We had a great time helping children and supporting The World's Greatest Philanthropy. Thank you Nobles and Ladies for your hard work, generosity, and dedication. Special recognition goes to HFD Chair Andy Bryant and his Lady Reagan, along with Assistant Rabban Greg Bird and his Lady Laura, for their tireless preparation and organization leading HFD from start to an amazing finish.

It was inspiring to see so many Fezzes out in the community. The public responded with open hearts and generous support—not only because of what we accomplished that day, but because of what Shriners do every single day for children and families. I am proud of all of you, and you should be proud as well!

Our Bingo/Games Night on May 1 was another evening filled with fun and fellowship. It was especially encouraging to see so many families with children and non-Shriners in attendance, with more than 85 people joining us for the night. We were also honored to host a wonderful group from Texas Masonic Retirement Center (TMRC). They brought energy, laughter, and plenty of enthusiasm to the bingo games. Their stories and camaraderie always make for a memorable evening.

Congratulations and sincere thanks to our Oriental Guide Chuck Boggess and his Lady Karla for their thoughtful planning and organizing such a successful event! They plan to do it again in September with ice cream—so y'all come join the fun!

I encourage every Noble to invite members of your Blue Lodge to the TSA Victory Party on June 26. This is a great opportunity for our Masonic brothers to learn more about what we do and experience the excitement and fellowship firsthand. Guests will be able to watch video highlights of our competitions and see the spirit of our fraternity in action. Please also invite them to Cornhole in July and to the Circus in November. These events are open to all Masons and provide outstanding opportunities to grow our membership. Each of us has a responsibility—to the children, to our fraternity, and to our future—to strengthen our membership. Bring ONE in! **Cont. on page 9**

SPORTSMAN SPECTACULAR UPDATE

The excitement continues to build as our 2026 Moslah Sportsman Spectacular is rapidly approaching, and we're excited to announce that the event is almost sold out! If you have been thinking about purchasing a table or securing your spot, now is the time. We encourage everyone interested in attending the festivities on August 15th to contact the Moslah Shrine Office as soon as possible to check availability on the remaining tables and seats. This year's event promises to be one of the biggest and best yet, and we don't want anyone to miss out on an evening of fellowship, fun, prizes, and excitement.

RED TICKET SILENT AUCTION ITEMS NEEDED

We are also asking for the support of all our Units, Clubs, and Nobility. The Moslah Silent Auction has become a popular part of the Sportsman Spectacular, and we need your help collecting Red Ticket Items for the Moslah section of the auction. Sportsman-related items, outdoor equipment, gift baskets, tools, hunting and fishing items, memorabilia, and other quality donations are greatly appreciated. Items may be dropped off at the Moslah Shrine Office during normal business hours. Thank you in advance for helping make this year's auction another tremendous success.

INTRODUCING THE 1ST ANNUAL MOSLAH MYSTERY SAFE!

That's right... For the first time ever, Moslah Shrine is proud to introduce what promises to become one of the most talked-about attractions of the year. The Moslah Mystery Safe! One lucky winner will take home a brand-new 12–18 Gun Safe, but that's only the beginning. What's inside? How many items are in it? What are they worth? Nobody knows except the committee! The safe will be packed with surprises and valuable items, making this one exciting giveaway you won't want to miss. Watch for the official flyer and details coming soon. The Mystery Safe will be on display at the Shrine Office in the near future, and tickets will be available through all Moslah Units and Clubs, as well as directly from the Shrine Office. Get your tickets early and be part of what is sure to become a Moslah tradition!

CIRCUS UPDATE

The countdown for the Moslah Shrine Circus November 6-8 has officially begun! Our Circus Ad Packets are nearly complete and will be available for distribution during our upcoming TSA Victory Party. This year marks our third year at Nytex Sports Centre, and we have several exciting new opportunities and sales programs planned to help make the 2026 Moslah Shrine Circus our biggest success yet.

\$105,000 IN CIRCUS AD SALES

I truly believe this goal is within reach. Moslah has always risen to the challenge when we work together, and with the determination, enthusiasm, and sales talent throughout our Units, Clubs, and Nobility, I know we can make it happen. Committee meetings and informational sessions will be announced soon, and we encourage everyone to get involved. Roxy and I are incredibly honored and excited to serve as Circus Chairmen this year. It seems like only yesterday that we were two twelve-year-old kids sitting hand-in-hand in the stands at the Masonic Home and School, watching the circus and dreaming big dreams. Now, years later, we have the privilege of helping lead one of Moslah's most cherished traditions. Talk about coming full circle! We hope you're as excited as we are, and together let's make the 2026 Moslah Shrine Circus one for the history books.

Together we can, together we must.

Little Heroes. Big Hearts: Supporting Shriners Children's Texas

On behalf of Andy Bryant, our Hospital Fund Drive Chairman, and me, thank you for your incredible dedication to our spring street corner collections. Following that fantastic success, we are filled with pride for what the Moslah Shriners can achieve when we come together. Because of your hard work, we are making a direct, life-changing impact on the children and families who walk through the doors of Shriners Children's Texas in Galveston.

As we look ahead, I want to take a moment this month to refocus our gaze on why we do what we do. While we often talk about the logistics of our "street corner collections" and events, the true "why" lies in the incredible resilience of our patients—the "Little Heroes" of our mission. Our entire Hospital Fund Drive is dedicated to celebrating their strength and ensuring they have brighter tomorrows.

The True Heroes at Galveston

Shriners Children's Texas is a beacon of hope, specializing in transforming the lives of our Little Heroes through world-class care:

~**Acute Burn Care:** Providing world-renowned treatment for pediatric burns and specialized skin conditions.

~**Orthopedics:** Addressing complex bone, joint, and muscle conditions with the latest surgical and rehabilitative technologies.

~**Cleft Lip and Palate:** Utilizing a multidisciplinary approach to ensure children gain confidence, smiles, and functionality.

Every dollar we raise ensures that these children receive expert, specialized care regardless of a family's ability to pay. We aren't just raising funds; we are providing the "World's Greatest Philanthropy" so these kids can keep fighting, growing, and thriving.

Save the Dates: Help Us Build Brighter Tomorrows

While we are enjoying the summer, please mark your calendars for two critical fall fundraising dates where you can step up and be a hero for our kids:

~**Fall Street Corner Collections:** Saturday, September 26th. Let's bring that same spring enthusiasm back to the corners. Keep an eye out for our new "Little Heroes" flyer, and let's make this our biggest drive yet!

~**Moslah Car Show hosted by the Shifters:** Saturday, November 21st. Join the Shifters for a day of incredible cars, trucks, motorcycles, and community, with all proceeds directly benefiting the hospital fund. More information to come.

Thank You for Being a Hero

Thank you for your continued support, your big hearts, and for being the driving force behind our mission. Let's work together to help children today and build hope for tomorrow.

**Greg Bird
Assistant Rabban**

HIGH PRIEST AND PROPHET

As we wrap up a fantastic May filled with fellowship, fundraising, and fun, Moslah Shrine continues to shine brightly in Fort Worth and beyond. The energy from our recent events has been incredible, and we're already building momentum for an exciting summer ahead!

Our Bingo Game Night on Friday, May 1st was a success, bringing families together for games, treats, and laughter. We honored our departed Nobles with a moving Memorial Service on May 16th, and the upcoming Cornhole Tournament on July 25th promises to be a highlight with great food, cornhole, and membership for the Temple. Thank you to everyone who participated in the Hospital Fund Drive Street Corner collections. Your dedication helps ensure Shriners Children's Hospitals can continue providing world-class care to kids in need, regardless of their family's ability to pay. Stories shared during the drive remind us why this mission matters so deeply.

Upcoming Highlights:

- **TSA Competition** – June 12-14 in Austin. Our units have been practicing hard. Bedouins, Clowns, Motor Corps, Mystic Wheels, Patrol, and more are ready to bring home trophies!
- **TSA Victory Party** – June 26th 6:00pm at the Temple. Come celebrate our competing units with food and awards.
- **Cornhole Tournament** – July 25th at the Temple. Great prizes and fun for all.

We are truly living our motto; One Family, One Mission, Moslah Strong! Membership remains a top priority. If you know a Mason who would enjoy the fellowship and philanthropy of Moslah Shrine, please reach out. Every new Noble strengthens our ability to help children and serve our community.

A big thank you to all our Unit Presidents, Committee Chairmen, and especially our Ladies for their continued support. Summer brings parades, tournaments, and gatherings. Let's make the most of every opportunity to wear the fez proudly and have fun while doing good. Let's keep the momentum going. Whether you're practicing for TSA, or simply showing up for fellowship, your involvement makes Moslah special. See you at the Temple!

ORIENTAL GUIDE

This year is flying by, and Moslah is keeping pace! Your Oriental Guide has been incredibly busy, and I'm excited to share a small glimpse of what your Divan accomplished in May.

Our Moslah Family Bingo Night was a huge success! With fantastic participation and a lively show by Bull and Krystal, complete with great prizes. It was an unforgettable evening.

On May 17th, we held our Shrine Memorial Ceremony, which was deeply meaningful. We honored 35 brothers, each dearly missed, and the well-attended ceremony touched the families, who received memorial crosses to cherish in memory of their loved ones. This serves as a poignant reminder to treasure every day, as tomorrow is never guaranteed.

A heartfelt thank you to everyone supporting the 100 Million Dollar Club and the Moslah Blood/Burn program. Here are the latest donation totals: Motor Corps: \$1,180.00, Golf Unit: \$670.00. So far this year, we've raised \$900.00 for the 100 Million Dollar Club!

Get ready for the Cornhole Tournament Saturday, July 25th! Mark your calendars and plan to join us. We are looking forward to seeing everyone at TSA. If you need to reach me, don't hesitate to get in touch.

ANA'S STORY

Ana knows a thing or two about determination. She was born in 1979 with phocomelia, a rare congenital condition that resulted in the absence of her arms and legs.

At the time, prenatal technology was limited, so Ana's parents were unaware of her disability before birth. Sitting in an El Salvador hospital, the doctors and nurses did not offer them much hope.

"People kept telling my parents she's not going to live," Ana said. "First it was a week, then two weeks. They kept saying I wasn't going to make it."

But Ana kept growing. She met her baby milestones. Her parents, who wanted nothing more than a full life for their daughter, began to look beyond the medical care available in their home country. Ana's grandfather, a Mason, helped connect the family to Shriners Children's. Her parents began researching the healthcare system and eventually submitted paperwork to ask whether one of the hospitals might accept Ana as a patient. Shriners Children's Texas agreed to evaluate her.

Ana's parents were only 26 years old when they decided to leave their home behind. They sold everything they owned, including their business, and traveled to Houston in search of a better future for their daughter.

"Shriners Children's became another family for us," Ana said. "The doctor told my parents she's as normal as she can get; she's only missing her limbs. She will be as disabled as you allow her to be."

That advice became a guiding philosophy for Ana's childhood. Her parents encouraged her to try things on her own and to challenge herself. Growing up, much of her time outside of school was spent at Shriners Children's Texas, attending therapy sessions. Summers and late afternoons were dedicated to learning activities of daily living. Therapists worked with her on activities such as feeding herself, writing and learning how to complete everyday tasks independently.

"They wanted to make sure that if one day my mom or my father couldn't do something for me anymore, I could still do it for myself," Ana said.

Between the ages of 5 and 12, Ana began wearing prosthetic devices. Over time, however, she realized they were not the right solution. The devices felt unnatural to her. Ana preferred to interact with objects directly.

"I didn't like the prosthetic devices," she said. "It didn't feel like me. I'm very tactile. I like to touch things and hold things."

Instead, Ana developed her own methods. Today, she writes and picks up objects using her cheek and upper arm, gripping items like pencils, utensils and paper between them. She credits her increased independence to the team that supported her family in learning how to raise a child with a disability.

"The staff took their time to teach my parents how to encourage me," Ana said. "How to be a parent to a child who is different. They always told me, try. At least try it once. Then you don't have the what-ifs in life."

That mindset led Ana to try a little bit of everything. Over the years, she has participated in a variety of adaptive sports and activities, including adaptive water skiing, adaptive soccer and even bungee jumping. She's attended Camp For All in Texas, a barrier-free camp where staff worked with her to create a specialized harness so she could safely bungee jump.

"I'm kind of a thrill-seeker," Ana said with a laugh.

Ana's adventurous spirit has taken her around the world. One of her favorite destinations is Bonaire, a Caribbean island known for its diving. Thanks to a connection at Shriners Children's Chicago, Ana is officially scuba-certified. She said the sport is one of the most exhilarating yet calm things anyone could try.

Ana's experiences with Shriners Children's shaped her childhood and hobbies, but they also helped guide her professional path.

As a college student studying social sciences, Ana completed an internship at Shriners Children's Texas during her undergraduate years. She assisted staff in therapy departments and supported receptionists with office tasks, honored to work alongside those who had once cared for her as a patient. After earning her Master of Social Work, Ana returned to the hospital full-time as a transition coordinator. She spent seven years supporting teenage patients as they prepared to move into adulthood, helping families navigate topics such as insurance, independent living and self-advocacy. Ana also organized transition camps, where teens could practice independence in a supportive environment.

"We did things like teaching them how to use public transportation, talking about college, learning how to make their own appointments and manage their medications," she said. "I helped them understand how to advocate for themselves and prepare for life beyond pediatric care."

Ana continued building an impressive career in advocacy and service. After leaving Shriners Children's, she spent 13 years at Houston Community College, running a program that helped students on the autism spectrum gain certifications and employment skills. Today, she serves as associate director for care services at the ALS Association in Texas.

Looking back, Ana sometimes finds it difficult to identify a single accomplishment that stands out. "I guess I take some things for granted because I just do them," she said. "Being able to have a career, being able to drive my car. Just living life."

In 2009, Ana achieved another milestone when she was crowned Ms. Wheelchair Texas. In that role, she traveled throughout the state speaking about the importance of education and empowerment. Throughout her journey, Ana never lost sight of the foundation that Shriners Children's Texas gave her.

"Shriners Children's Texas was a godsend," Ana said. "They do amazing work. Part of my success was because of them, and I'm very thankful for their care."

MOSLAH SPOTLIGHT

Honoring a True Artist and Friend: Mr. Louis Daniels

This month's Moslah Spotlight shines on a man whose work has become woven into the very fabric of our Shrine's history.

After an incredible 26 years as the official artist for the Moslah Shrine Circus Program Cover, Mr. Louis Daniels has announced his retirement at the remarkable young age of 95.

For more than a quarter century, Louis has brought our circus programs to life through a style of artistry that has become increasingly rare in today's world. Long before computers and digital design became commonplace, Louis remained faithful to the traditional methods of his craft.

Each cover began with a pencil sketch, carefully drawn by hand. From there, he would personally paint every image, creating a one-of-a-kind masterpiece that reflected the excitement, wonder, and tradition of the Moslah Shrine Circus.

No shortcuts.

No copy-and-paste.

No digital templates.

Just talent, dedication, patience, and a lifetime of artistic skill.

Over the years, Louis has enjoyed a distinguished career in the art community, working with numerous clients and creating countless pieces that have been admired by people from all walks of life. Yet despite his many accomplishments, he always remained humble, approachable, and passionate about his work.

For Moslah Shrine, his artwork became much more than a program cover. It became a tradition.

Each year, members eagerly anticipated seeing what Louis would create next. Every cover told a story. Every brushstroke captured a moment. Every piece was unique and impossible to duplicate.

Because of his talent and dedication, generations of circus attendees have taken home not just a program—but a print of original artwork.

Moslah Shrine has been truly blessed to have had Louis as part of our family for these past 26 years.

Roxy and I are especially honored and proud that the final circus cover of his distinguished Moslah career will be our cover. It is a privilege we will always cherish and never forget.

As if his years of service were not enough, Louis has also generously donated several pieces of artwork to Moslah Shrine for display throughout our building. Most recently, he donated the original artwork from the many circus covers he created over the years.

Plans are currently underway to professionally frame these priceless pieces and display them throughout Moslah Shrine so future generations can appreciate the talent, dedication, and history they represent.

These paintings are more than artwork. They are part of Moslah's story. They are part of our legacy.

And they stand as a testament to one man's unwavering commitment to excellence.

Mr. Daniels, on behalf of the entire Moslah Shrine family, thank you.

Thank you for your talent.

Thank you for your friendship.

Thank you for your generosity.

Thank you for the countless hours spent creating works of art that brought pride to our Shrine and joy to thousands of circus patrons.

Most of all, thank you for sharing your gifts with us for over two decades.

You are truly one of a kind, and your work will continue to inspire and be appreciated for many years to come.

Congratulations on an extraordinary career and a well-earned retirement.

Your legacy is permanently painted into the history of Moslah Shrine.

With sincere gratitude and admiration,

The Nobility of Moslah Shrine

Louis Daniels
