FROM YOUR POTENTATE

We are Having Fun, Helping Kids, Together.

September was a fun month, with patient stories at our Business Meeting, that included a Ladies Program. We had an Ice Cream Social/Game Night, where the Divan had the honor of serving ice cream to 85 Nobles, Ladies, families, and friends. Oriental Guide Chuck Boggess and Lady Karla put together a really outstanding evening where adults and kids of all ages had a fun time together.

We ended the month of September with our Hospital Fund Drive (HFD), fulfilling our institutional calling to support the Children of our Shriners Hospitals. All the proceeds of our HFD go to support Shriners Children's Texas in Galveston. Our Assistant Rabban, Greg Bird, along with HFD Chair, Noble Andy Bryant, put together an excellent plan which was well executed by Nobles, Ladies, and other volunteers. **THANK YOU to ALL**, from me and from the children our hospital serves. If you were not able to participate in the HFD, but want to donate now, you can click on the link below.

Now it is time for us to push our coming CIRCUS to SUCCESS! Our Chief Rabban, Royce Rose, watched this circus as a child, decided to run it one day, and now he is. Let's make this Circus great for Royce, for Moslah, and for the kids. This is our chance to make it the best Circus yet!

CHIEF RABBAN

THE FINAL STRETCH — LET'S FINISH STRONG!

The 83rd Annual Moslah Shrine Circus — November 6, 7, and 8 — is getting closer, and Roxy and I could not be more excited or more proud to serve as your Circus Chairman this year.

There has already been a tremendous amount of work put into making this year's Circus something special. Our units and clubs have been working, Nobles and Ladies have been selling tickets, businesses and friends have stepped forward with program ads, and volunteers throughout Moslah have answered the call.

But we are not finished yet.

We are still about five weeks away, and this is not the time to slow down. This is the time to **finish strong.**

If you have Circus program ads to turn in, please get them to the Moslah office now. If you know a business, organization, friend, or supporter who would like to purchase an ad in this year's Circus program, please contact the office. They have a link available that will help make the process easy.

And please — **keep selling those tickets!**

Every ticket sold, every ad purchased, every conversation about the Circus, and every person who walks through those doors helps make this great Moslah tradition successful.

Over the next few weeks, you will also begin receiving information about Circus assignments and the many opportunities to volunteer and be part of the weekend. When those assignments and opportunities come out, we hope everyone will find a place to jump in and help.

The Circus has always been more than three days on a calendar. It is one of those special times when all of Moslah comes together — our Divan, our units, our clubs, our Nobles, our Ladies, our families, and our volunteers — working side by side toward one common goal.

That is what makes it special.

Roxy and I are incredibly proud to be your Circus Chairman, and we cannot wait to see what we can accomplish together this year. Thank you to everyone who has already sold an ad, sold tickets, volunteered, promoted the Circus, or helped behind the scenes.

But don't let up now.

Don't slow down. Don't give up. Keep selling. Keep asking. Keep talking about the Circus. Keep moving forward.

We have seven weeks to make a difference.

Let's fill the seats. Let's support our units and clubs. Let's support Moslah. And let's make the 83rd Annual Moslah Shrine Circus one that we will all be proud to remember.

Together we can. Together we must.

Fall Hospital Fund Drive Collects a record amount of donations!

What an incredible day for Moslah Shriners! On Saturday, September 26, Nobles, Ladies, family, and friends took to the streets and storefronts throughout Granbury, Cleburne, Mineral Wells, and Weatherford for our Fall Hospital Fund Drive. Thanks to their hard work and the generosity of our communities, we collected an outstanding amount for Shriners Children's Texas!

A special thank-you to HFD Chairman Andy Bryant and Lady Reagan for organizing another successful drive, along with Co-Chair Carl Russell and Lady Wendy for their hard work and support.

We are grateful to the local businesses that welcomed our Shriners, including Troy Vinson Jewelers, Teskey's, and Brookshire's in Granbury. Thank you to Jake Hammonds for helping secure multiple Russell Feed & Supply locations, and to the entire Russell Feed & Supply team for supporting our mission.

After the collection shift, Illustrious Sir Jeff Barcafar and Lady Diana graciously opened their home as our counting and gathering location. Thank you to our counting crew — Lady Reagan Bryant, Lady Terry Eaton, Illustrious Sir Allen Miller, Lady Wendy Russell, and Lady Katie Crow — and to our Entertainment Committee, Bull and Queen Krystol, for keeping everyone supplied with cold drinks.

A big thank-you as well to our photographer, Tom Crow, for doing what he does best — capturing the energy, candid moments, and memories throughout the day.

A personal thank-you to my wife, Laura, who designed our HFD signs and flyers for both the Spring and Fall drives and coordinated the food for our gathering.

Most importantly, thank you to every Unit, Club, Noble, Lady, family member, and friend who volunteered. Whether you worked a street corner, a storefront, or behind the scenes, you made this possible.

Between our Spring and Fall Hospital Fund Drives, Moslah Shriners collected an incredible \$43,912.85 in 2026 for Shriners Children's Texas! We can all be proud of what we accomplished together.

ORIENTAL GUIDE

As another month passes and cooler weather approaches, the Moslah Divan is just heating things up. This month, we have stayed busy with unit visits and wrapped up the Annual Hospital Fund Drive. The generosity shown by every unit in support of Shriners Children's was truly inspiring. It was my honor to drive the Potentate around and witness your hard work and dedication firsthand.

Looking Ahead

· More unit visits are scheduled throughout October, and Karla and I look forward to reconnecting with friends across the units.

· As the holiday season approaches, don't forget to pick up your \$100 Million Club application. Memberships are a meaningful way to show your support—and they make great gifts.

Let's keep the momentum going and continue making a difference together.

Fundraising Results, as of September 2026

\$100 Million Club total: \$1436

Blood/Burn

1. Car-vettes — \$1,180
2. Golf Unit — \$670

Cornhole Club

To expand Moslah's social footprint and create another opportunity for fun and fellowship, I am working to launch a Cornhole Club.

The club would:

- Organize the temple's annual cornhole tournament.
- Support other cornhole events in the community.
- Host monthly or bi-monthly gatherings for members to play cornhole and enjoy some camaraderie.

There is also a chance that beverages may be consumed. Call Chuck Boggess for more information, 817-980-6647.

THE JOY OF MUSIC: JOSEPHINE'S JOURNEY

WITH A SWEET SMILE FOR EVERYONE SHE MEETS, 2-YEAR-OLD JOSEPHINE GREETES THE WORLD WITH THE CURIOSITY AND WONDER OF A TYPICAL TODDLER.

She loves looking at picture books and sitting at the piano, picking out notes on the keyboard. But behind that friendly smile is a diagnosis so rare that researchers are still working to understand exactly what it means. Josephine is one of only a small number of known patients worldwide living with GEMIN5-related neurodevelopmental disorder, an ultra-rare genetic condition that affects brain development, movement, speech and coordination.

For her family, the diagnosis brought answers, but it also brought a new uncertainty. Because GEMIN5 was only recently identified as a distinct disorder, there is still much that doctors do not know about its long-term progression. Researchers believe the condition affects the development of the cerebellum, the part of the brain responsible for coordination, balance and motor control. Patients often experience developmental delays, low muscle tone, seizures, speech difficulties and challenges with mobility.

Shortly after birth, Josephine experienced [torticollis](#), a condition that left her unable to turn her head normally. She later required a cranial helmet and began receiving therapy after developmental delays became apparent. Doctors eventually diagnosed her with hypotonia, or low muscle tone, and when she began experiencing absence seizures (brief loss of awareness), further testing was ordered. Full genome sequencing at UTMB provided the answer her family had been searching for: GEMIN5.

Like many families affected by rare diseases, they suddenly found themselves navigating a world with few definitive answers. Researchers are still learning about the condition, and even top specialists have limited experience treating it. Yet Josephine's parents have chosen to focus on helping their daughter reach her fullest potential. That journey has been made easier through the support of [Shriners Children's Texas](#) staff.

While there is currently no cure or definitive treatment for GEMIN5-related neurodevelopmental disorder, Shriners Children's Texas staff plays an important role in helping children like Josephine manage the physical challenges that often accompany the condition. Rather than treating the underlying genetic disorder itself, the care team focuses on supporting mobility and overall function. For children with rare diagnoses, that support can make a significant difference in their daily lives.

"My goal for these kids is to support them in their growth and development, whether that's with therapy, bracing or surgery," said Cody J. Sanderson, M.D. "My goal is to relieve pain, improve function and restore cosmesis. That's what we can do for these patients with rare conditions: improve their quality of life."

Since becoming a patient earlier this year, Josephine's family has found a care team committed to helping them navigate everything from therapies to adaptive equipment and future mobility needs. Just as importantly, they have found people willing to listen.

"Everyone we've met has been absolutely fantastic," said Josephine's mother, Kelsey. "They've just been so caring and helping us figure out, 'What are your needs, and how can we help?'"

For the family, that support has been especially meaningful. Kelsey, a former elementary music teacher, left the classroom to become Josephine's primary caregiver. Her husband continues to teach high school music, and together they balance the everyday responsibilities of raising Josephine and her older sister.

When you get to know Josephine, you will see much more than her condition. The daughter of two music educators, she has developed a remarkable love of music. While most toddlers struggle to sit through a television show, Josephine sits completely captivated by a performance of Mozart's Piano Concerto No. 20 in D minor, watching the orchestra play the entire piece. She also enjoys sitting at the piano, turning pages in her favorite books and spending time with her older sister, Kennedy, who has been learning sign language alongside her. Amid all the unanswered questions about her condition, Josephine's family sees a little girl full of joy and childlike wonder. And while researchers continue working to better understand GEMIN5, Josephine is focused on something much simpler: discovering the world around her, one book, one piano note and one smile at a time.

CAR-VETTES

Car-Vettes Continue Building Momentum This Fall

The Moslah Car-Vettes Unit continues to build momentum this fall through fellowship, service, fundraising, and active support of Moslah Shrine and Shriners Children's.

The unit's September meeting reflected that continued activity and growth, with 11 members in attendance. Members also welcomed a new Car-Vettes member following a favorable vote, adding to the unit's growing participation and involvement.

The Car-Vettes were recently recognized by the Divan for their outstanding support of several important Shrine initiatives. The unit is a leader in Blood Fund participation, supporting of the \$100 Million Club, Shrine Circus advertising sales, and Shrine Circus ticket sales. These accomplishments represent the commitment of Car-Vettes members who continue to volunteer their time and resources in support of Moslah Shrine and its mission to help children.

Members were also pleased to hear a positive report regarding Shriners Children's Texas in Galveston. The hospital continues its important work providing specialized care and services to children and families throughout the region.

With the fall season underway, the Car-Vettes have a full schedule ahead. Members are participating in Hospital Fund Drive activities, preparing for the Shrine Circus, and getting ready for multiple parade appearances throughout North Texas. Equipment and support vehicles are being prepared as the unit looks forward to another busy and successful parade season.

The September meeting also provided an opportunity to celebrate the strong relationship between the Car-Vettes and Moslah Shrine leadership. On behalf of the unit, Car-Vettes member Jake presented Illustrious Sir Brett Boone with an official Car-Vettes unit shirt.

As the year continues, the Car-Vettes remain committed to representing Moslah Shrine with pride throughout the community. The unit extends its appreciation to the members, families, fellow Shriners, and supporters whose continued involvement helps make these fundraising, fellowship, and service efforts possible.

The Car-Vettes look forward to an active remainder of 2026 and to continuing to support Moslah Shrine and Shriners Children's throughout North Texas and beyond.

The Fall Hospital Fund Drive Was a Success—Thanks to You!

The Hospital Fund Drive Committee extends its heartfelt gratitude to everyone who came out to support the cause across our outlying communities.

Thanks to your dedication and generosity, we collected an impressive \$22,385.75!

When we join the Shrine, we commit to supporting our hospitals. This year, the Potentate called on us twice to honor that commitment, Thank you to all who answered that call! Your efforts truly made all the difference.

We were excited to introduce several new storefronts this year, which not only opened the door to new sources of donations but also provided nobles with opportunities to serve in environments conducive to their abilities.

Every fez, every yellow vest, every noble and every lady who participated this weekend proudly showed the public what it means to be a Shriner—having fun while helping kids.

Well done, Moslah! Let's keep the momentum going.
